PhD in Chemical Sciences

We inform you that, as part of the seminar activities of the Doctorate,

Prof. Maurizio Prato

Department of Chemical and Pharmaceutical Sciences of University of Trieste

Wednesday 15 April 2026 at 11.00 am

will hold at Aula Magna of the Department of Chemical Sciences, the seminar
entitled:

**Carbon Nanodots: a link between the molecular and the
nanoscale worlds**

The PhD Coordinator
Prof. Salvatore Scirè
